

Note: Switch must be in "ON" position for 4x4 drive and in the "OFF" position for free-wheeling.

Battery Requirements: (not included)
One "AA" battery.

Battery Installation:

1. Remove battery cover.
2. Insert one "AA" battery.
3. Snap cover back in place.

For Best Results:

1. Do not mix old and new batteries.
2. Do not mix alkaline, standard or rechargeable batteries.
3. Use alkaline batteries only.
